

File O+M 6-1

ASSA-DD/S
Room 2129
I Building

5 October 1959

SSA-DD/S

DD/S 125, East

A draft of the attached was discussed with Col. White, and after that, at his suggestion, with the Comptroller. Mr. Saunders agreed in principle with the paper and offered some suggestions for minor modifications which I have incorporated into the attached memorandum.

I believe the paper now includes the points suggested by both the Comptroller and DD/S.

Attached is a copy for the DD/S per his request.
